

Pack 1 (Pictures)

Pack 2

Definitions

Definition Concentration

Start with Pack 1 (Picture 1) and the definition pack. Place cards randomly on the table face down. Person A picks up one card and then tries to match it with the appropriate definition. If they get a match they keep both cards. The winner is the person with the most cards at the end of the game. When the students need to go on to the next level, use Pack 2 and the definition cards.
